Excerpts from reviews  
of Al Kilany's Library

The Poet Ibrahim Abdul Kader El Mazni said :

...The main features which stand out in Kilany's books are simplicity of expression, accuracy of vocabulary and exactness of meaning. In a word, his sound and facile pen, avoids all that is strange or archaic, guiding the child along a perfectly graduated path.

Moreover, complete vocalisation is a guarantee against error, and elaborate illustrations are most conducive to reading.. "

Dr. Ali Mustafa Musharrafa said :

" . I sincerely hope that the day will come when our young scholars will know good Arabic by instinct. When this happens most of the credit will be due to Professor Kilany's books .... "

Prof. Carlo Nallino said :

".. I offer the most unreserved commendation for the care you have devoted to the choice of the subject-matter in the first place, the expression in the second, and the size of the lettering in the third, and also in the plan which is designed to lead to perfect success by progress from the child to the adult in harmony with his development in years and attainments. I am likewise delighted to call attention to the delicacy and clearness which characterise the artistic pictures which adorn the pages of this series..."

قطوف من الآراء  
في مكتبة الكيلاني

الشاعر إبراهيم عبد القادر المازني قال :

١ .... وتمتاز تواليف الكيلاني بالبساطة في التعبير ، والصحة في الألفاظ ، والرقّة في التراكيب ، والدقة في الأداة ، والسلاسة والسهولة ، مع اجتناب كل غريب وناث ، ومع توخي التدرج بالطفل .

هذا إلى الشكل الكامل حتى يؤمن الخطأ ، والإكثار من الصور الجميلة المغرية بالقراءة ....

دكتور هلي مصطفى مشرفة قال :

... وإني لأرجو أن يأتي اليوم الذي تصير فيه اللغة العربية سليقة عند متعلمينا . فإذا قيس لها ذلك كان الفضل راجعا في معظمه إلى كتب الأستاذ الكيلاني ....

الأستاذ كارلو نالينو قال :

١ .... وإني لأحبذ أوفى تحبيذ ، تلك العناية التي تبدلها في انتقاء الموضوعات أولا ، والأساليب ثانيا ، وأحجام الحروف ثالثا ، وترتيب ذلك ترتيبا يتمشى بنجاح تام من الأطفال إلى الشباب ، وفق تدرجهم في أسنانهم ، ومداركهم كما يسرى أن أنوه بالرشاقة والوصوح ، اللذين يتحليان في فن تلك الصور المدعة التي أزدانت بها هذه الكتب ...

## **Bibliothèque Arabe Al Kilany pour Enfants.**

La première institution arabe pour le  
développement culturel de l'enfant.

*150 histoires variées, illustrées et vocalisées, destinées aux élèves  
à partir des classes enfantines jusqu'à la fin des cours  
secondaires.*

Siège Principal : 32, Rue Hassan Al Akbar.  
Branche : 28, Rue Al Boustan — Tél. 50818

**La collection** de la bibliothèque comprend environ 150 histoires et contes, merveilleusement réalisés et richement illustrés. Elle accompagne l'élève du jardin d'enfants jusqu'à la fin de l'enseignement secondaire. De là, elle le conduit à la bibliothèque Al Kilany pour Adultes.

**Les sujets traités** aident le caractère, développent l'intelligence, et lui enseignent la littérature.

**La technique** renforce et intensifie le désir et l'intérêt du lecteur et stimule son amour pour la lecture.

**Le langage** enrichit le don d'expression et contribue à une réelle facilité d'élocution. En effet, c'est une révolution littéraire pédagogique qui a été soutenue par les ministres de l'éducation, les dirigeants de l'opinion publique en Orient, de même que des Orientalistes bien connus, ont été unanimes à appuyer.

La bibliothèque fut la première en son genre à poursuivre les méthodes d'éducation les plus modernes dans les pays parlant la langue arabe. Les éditions successives de ces livres ont largement contribué pour la nouvelle génération et ont eu accès dans chaque foyer arabe. En plus, ils ont été traduits dans la plupart des langues Orientales et en certaines langues occidentales.

En effet, ils sont en eux-mêmes, une libre institution qui attire l'élève sans contrainte ni intimidation.

La bibliothèque Al Kilany fut autrefois le rêve de chaque parent. Aujourd'hui, elle est la plus fructueuse nourriture culturelle pour les enfants.

Ils sont publiés par les plus grandes maisons d'édition en Orient.

## Biblioteca "Al-Kilani" Per Bambini

È la prima istituzione araba per la formazione culturale del bambino. Comprende 150 racconti vocalizzati ed illustrati, con testi graduati, dalla classe preparatoria (asilo infantile) ai licei ed istituti medi superiori.

Sede centrale: Via Hasan el-Akbar, No. 32 Cairo  
Succursale: Via El-Bustan, No. 28 Cairo  
(Tel. 50 818).

La "Biblioteca al-Kilani" comprende una raccolta di circa 150 racconti divertenti, riccamente illustrati e presentati in bella forma tipografica, che accompagnano l'alunno dalla classe preparatoria fino alla fine degli studi secondari, per poi portarlo alla "Biblioteca al-Kilani per la gioventù".

Gli argomenti trattati in questi racconti formano il carattere del lettore, ne sviluppano l'intelligenza e gli insegnano la letteratura.

La tecnica dei racconti mira ad incantare e a divertire il lettore, stimolandone l'amore per la lettura.

La lingua in cui sono scritti i racconti, permette di arricchire il vocabolario del lettore, abituandolo ad esprimersi correttamente e con uno stile elegante.

La "Biblioteca al-Kilani" costituisce una illuminata rivoluzione a cui hanno dato il loro assenso ed appoggio, in Oriente, vari Ministri dell'Istruzione, personalità del campo dell'insegnamento, dirigenti della pubblica opinione, e, in Occidente, i più noti orientalisti e gli specialisti nel campo dell'istruzione.

La "Biblioteca al-Kilani" la prima del genere nel mondo arabo, vuole che il fanciullo cresca secondo i più moderni sistemi di educazione.

Le edizioni in lingua araba della "Biblioteca Al-Kilani" sono ormai numerose ed hanno permesso alle nuove generazioni nei Paesi arabi di istruirsi. In nessuna casa araba mancano i volumetti della "Biblioteca Al-Kilani".

I racconti della "Biblioteca Al-Kilani" sono stati tradotti nella maggior parte delle lingue orientali ed in alcune lingue occidentali.

La "Biblioteca" è una scuola privata: quando l'allievo la conosce, vi accorre senza bisogno di costrizioni o intimidamenti.

Essa era la maggiore aspirazione dei padri ed è oggi il "cibo culturale" più appetitoso per i figli.

La "Biblioteca Al-Kilani" viene pubblicata dalle maggiori Case editrici d'Oriente.

The library's collection of some 150 stories and fairy tales, beautifully produced and elegantly illustrated, accompanies the child from the kindergarten to the final year of the secondary education. whence it leads him to Al-Kilany's library for youth.

**Its subject-matter :** Promotes character, develops the intellect, and teaches literature.

**Its technique :** intensifies the reader's desire and interest and stimulates his love for reading.

In fact, it is a rational literary revolution which has won the support of most ministers of education, leaders of public opinion in the East, and well known orientalists.

The library was the first of its kind to follow the most modern methods of education in the Arabic speaking countries. The successive editions of its books have contributed a great deal towards the culture of the youth in the Arab East and have had access to every Arab home. In addition they have been translated into several Oriental, and some Occidental languages.

In fact, they are in themselves a free institution which attracts the pupil without persuasion or intimidation.

Kilany's Library was once the aspiration of every parent. Today it is the children's most delightful food for thought. It is published by the largest publishing houses in the East.

## To Kamil Kilany.

From Professor Carlo Nallino

Professor in the University of Rome and Member of the  
Academy of the Arabic Language

Sir,

My heart has overflowed with joy to read during these last few years a considerable number of your publications by which you have formed the children's library.

If my conviction is true, you are undoubtedly unmatched in the sphere of children's publications in the entire Arabic World, for I know of no rival to you in this sphere in any country where the letter *dad* (لغة الصاد) is uttered.

Your books have combined skilful entertainment with excellent style and abundant informations. I can find no equal to them except among the books studied in addition to the curriculum in the schools of Europe, for stimulating a love of reading and entertainment in the minds of children and young people, just as they stimulate in them — in addition to this — the love of reflection, and prepare the way for it. I feel sure that your books have filled this void in the world of pedagogy in the East by this ideal method, for the attraction of these stories does not lose its beauty and charm. Everything in it shows perfect taste, as it is outstanding in its excellent choice of subject-matter, in the soundness and accuracy of its expression, and in the simplicity of its language, while its phraseology and the choice of its vocabulary are well-designed for showing the perfect fruit of the mature and true Arabic taste which pervades the whole.

I do not except from this the stories which you have derived from European literature, for the excellence of their style, their well-chosen vocabulary and their stamp of pure Arabic, leave no room for doubt that these tales are — in their form — essentially Arabic.

I offer the most unreserved commendation for the care you have devoted to the choice of the subject-matter in the first place, the expression in the second, and the size of the lettering in the third; and also in the plan which is designed to lead to perfect success by progress from the child to the adult in harmony with his development in years and attainments. I am likewise delighted to call attention to the delicacy and clearness which characterise the artistic pictures which adorn the pages of this series.

To conclude, I congratulate you most sincerely on this praiseworthy work, and pray from the bottom of my heart that this series may become widespread in all Arabic countries.

\* Nothing could be more worthy of these books than that every child should read them and every young person should profit by them and that every school and institution should teach them, nor could anything be fitter than that they should act as a guide for foreigners studying Arabic, who desire to attain this goal in the shortest way, and most direct method.

Please accept, Mr. Kilany, my sincerest good wishes and esteem.

Carlo Nallino.
